

## TO ALL FILA REFEREES AND TECHNICAL DELEGATES

### Procedure for 2007 Licences

Dear Madam, Dear Sir,

As you know, each wrestler who takes part in a Senior competition must have a licence. Each Cadet, Junior or Senior wrestler who takes part in a Continental or World Championship must also have a licence, which guarantees medical expenses in case of an accident. All wrestlers should have their FILA Licence card by January 1<sup>st</sup>, 2007. **If they don't, they will not be able to participate in the competitions.**

National Federations received last November 2 documents :

- ⇒ The list of their wrestlers who had a licence card in 2006. Federations are requested to :
  1. **erase the name of wrestlers who will not be active in 2007,**
  2. **inform us of the address - for the World Anti-Doping Agency – of wrestlers who received their 2006 licence and wish to renew it in 2007,**
  3. **return the list to FILA with the copy of the bank transfer and the financial statement.**
- ⇒ The «**2007 New Licences Request**» form for **wrestlers** who want a licence in 2007 (**and who did not received a card in 2006**). This form must be duly filled in by Federations and returned to FILA with a photo (with the name of the wrestler written at the back), the requested information and the copy of the bank transfer.

National Federations can also order and buy their licences online from our website  
<http://licencing.fila-wrestling.com>.

As soon as FILA receives the payment and documents from National Federations, licences will be sent to them as soon as possible.

**Technical Delegates and Referees should therefore have less registration of licence during competitions.**

Kindly note the following points :

- ⇒ **PRICE OF THE LICENCE BOUGHT FROM TECHNICAL DELEGATES AND REFEREES DURING COMPETITIONS IS CHF 150.- or US\$ 150.- OR 120 Euros.**
- ⇒ **The price of the licence bought directly from FILA remains the same** (CHF 100.- or US\$ 100.- or € 80.-).
- ⇒ From January 2007, the World Anti-doping Agency requests the address of each wrestler. You are therefore kindly requested to write it down on the **new book of licence receipts herewith enclosed.**
- ⇒ The wrestler's photo – with the name written at the back - is **ESSENTIAL for the printing of the licence.** Please be vigilant regarding this matter and ask for it to each wrestler who will register with you, or send it to us on a CD-rom.

Should you request any information or further explanation, do not hesitate to contact us. Thanking you for your collaboration, we remain,

Sincerely yours

Raphaël Martinetti  
FILA President
